### Meet your Board Member Stuart Braun

I'm thrilled to be back on the Board at SDM as of January 2025! My husband Carlos and I became part of the SDM community in 2013 when we purchased our home and started visiting as "snowflakes" from Long Island. After a decade of frequent visits, we made the permanent move in 2022, selling our home in Hewlett to embrace life as full-time residents of SDM—and we've never looked back!

Born and raised in Queens, NY, I earned a degree in Economics from Queens College and an MBA from Baruch College, CUNY. My professional and personal journey took me to various cities, including Ramat Gan, Israel, and Chicago, IL. Over the years, I gained expertise in Advertising, Marketing, Budgeting, Contract Negotiation, and Real Estate.

After relocating to Boca, I shifted my focus from work to my personal passions. I love spending my free time gardening, honing my skills as an avid home cook, and indulging my love for both interior and exterior design. While I enjoy the comforts of home, Carlos and I are also passionate travelers. Between the two of us, we've explored dozens of cities on every continent—except Antarctica and Australia. While I've left the pressures of my work-life behind, Carlos still enjoys his career as a Master Hair Colorist.

I'm looking forward to a great year ahead and to helping to create the best of SDM!
