Annuals Season Coming Soon!

Annuals add beautiful colors to our neighborhood

1. Please register for free labor only for installation in community front beds only before October 25th.
2. You buy them. We will plant them! Leslie Landscaping will call you for consultation to discuss locations, counts, and materials you need to provide.
3. After confirmed consultation, we will schedule the days for the community planting.

Planting will be done in November!

Note: Annuals require water daily be sure you have the water resources for your plants.

Check your email for contact information forms coming to you!
