Drive Slowly and Park Responsibly

The holidays are here - there are more people in the community - **please drive SLOWLY**

Observe our **10 MPH** speed limit throughout the neighborhood. Now it's especially important to drive cautiously.

Also, remember to follow **alternate side parking rules** to ensure emergency vehicles can access all areas of the community quickly and safely.

Remember to water your community property - Dry Season is HERE!

Something Beautiful in Our Community

Leslie Landscaping has enhanced our community by planting SunPatiens! These vibrant flowers are known for their resilience and can thrive in a variety of conditions, making them an excellent choice for landscaping.

Leslie provided the consultation and labor to plant free of charge to residents that participated. SunPatiens can last longer than six months, especially in optimal conditions, means you will be able to enjoy their beauty for an extended period. Be sure to request this service in Oct. 2026!
